Financial Advantage, Inc. Web site Disclosures

- This Web site is a publication of Financial Advantage, Inc. Information presented is believed to be factual and up-to-date, but we do not guarantee its accuracy and it should not be regarded as a complete analysis of the subjects discussed. All expressions of opinion reflect the judgment of the authors as of the date of publication and are subject to change.
- Information on this Web site does not involve the rendering of personalized investment advice, but is limited to the dissemination of general information on products and services. A professional adviser should be consulted before implementing any of the options presented.
- Information on this Web site is not an offer to buy or sell, or a solicitation of any offer to buy or sell the securities mentioned herein.
- Hyperlinks on this Web site are provided as a convenience and we disclaim any responsibility for information, services or products found on Web sites linked hereto.
- Financial Advantage, Inc. is registered as an investment adviser with the SEC and only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements.
- Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that the future performance of any specific investment, investment strategy (including the investments and/or investment strategies recommended by the adviser), or product made reference to directly or indirectly on this Web site, or indirectly via hyperlink to any unaffiliated third-party Web site, will be profitable or equal to past performance levels.
- All investment strategies have the potential for profit or loss. Changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio. Performance results reflect the reinvestment of dividends and capital gains.
- Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client's investment portfolio.

- Historical performance results for investment indexes and/or categories generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment-management fee, the incurrence of which would have the effect of decreasing historical performance results.
- Economic factors, market conditions, and investment strategies will affect the performance of any portfolio and there are no assurances that it will match or outperform any particular benchmark.
- Financial Advantage, Inc. provides general tax and estate planning information and is not engaged in the practice of law. Always consult an attorney or tax professional regarding your specific legal or tax situation.

A list of all of the firm's recommendations for the past year is available upon request.
